## Tech Specs

**Audio****Details + Dimensions****Power + Connectivity****Bc****Amplifiers**

Two Class-D digital amplifiers have been perfectly tuned to the speaker's unique acoustic architecture.

**Tweeters**

One tweeter creates a crisp high-frequency response.

**Midwoofers**

One midwoofer ensures faithful playback of mid-range frequencies and maximizes low-end output.

**Microphones**

The far-field microphone array uses advanced beamforming and multi-channel echo cancellation for quick and accurate voice control.

**Adjustable EQ**

Use the Sonos app to adjust bass, treble, and loudness.

**Trueplay**

This software measures the acoustics of the room then fine-tunes the speaker. Supported iOS device required.
